ITEMS FOR DISCUSSION

A. Temporary Art Installations

Staff informed the committee of the empty CRA owned vacant lot in the downtown that could potentially be used for a temporary installation.

The committee also discussed the idea of having live painting events on the vacant lot. Staff has asked the committee to brainstorm additional ideas for these type of installations and events.

B. Art 'Branding' Concept

Staff informed the committee they would like a 'tag line' or some type of branding for the art in the downtown. (Example: "Dolphins Downtown", and feature various dolphins throughout downtown). This item will require some research and thinking on the committees part, and will continue discussions at a later meeting.
