**APPROVAL OF MINUTES**

**A. June 13, 2024 Minutes**

A motion was made by Terry Deloach to approve the minutes. This was seconded by Mr. Bob Angelieri.

**OLD BUSINESS**

**A. Sea Turtle Sculpture Concepts - Havic Studios**

Board members discussed the proposed drawings from Havic studios.

Mr. Angelieri wanted to know if the actual sculpture would be cartoon like or more life like? the committee all agreed they would like to see the sculptures be more life like rather than cartoon-ish.

The committee also asked for clarification on the role of committee members, and on future projects if members could designate a representative to check in regularly with the artist as the project moves along. Staff stated that would be perfectly acceptable and quite helpful for future projects.

The committee unanimously agreed that the third turtle sample was the one they wanted to move forward with (this is the drawing of the two blue turtles swimming).

Staff will follow up with Havic studios, and ask them to work up a 3-D rendering of the proposed turtle sculpture, inclusive of materials and sizes for committee review.

**NEW BUSINESS**

**ITEMS FOR DISCUSSION**

**A. Pier Artwork Call to Artist DRAFT**

Staff asked the committee members if they preferred one or two sides of the pier to be flanked with sculptures, and what style sculpture they would like to see at a previous meeting. Staff took that feedback and drafted a tentative call to artists for the work. The committee unanimously approved the direction for the call.

**B. Local Artist Mural Event Call to Artist DRAFT**

The committee unanimously approved the direction staff is going with the call to local artist event for the restroom murals. Staff would like to see this project kickoff in the spring.
