ROLL CALL

Chairman: Art Graham
Vice-Chairwoman: Frances Povloski
Board Members: Jeffrey Jones, Gary Paetau, David McGraw

Also present were Planning and Development Director Heather Ireland (also Recording Secretary), CRA Coordinator Taylor Mobbs, Public Works Project Engineer Kayle Moore, Parks & Recreation Director Jason Phitides, Parks and Recreation Superintendent Trevor Hughes

OLD BUSINESS

There was no old business.

NEW BUSINESS

a. Overview of Amendment Process

Jim Gilmore informed everyone that the process to amend the CRA plans has to go before council in order to add projects to the plan that do not currently exist. He reminded the board that any projects NOT in the current plan will require an amendment

b. Remaining Projects Within the Southend Plan – Jim Gilmore

The board began the discussion on remaining projects and ideas in the southend district. The board discussed the need to focus on maintenance and improvements within the district, as the district as a whole is very developed.

c. Remaining Projects Within the Current Downtown Plan – Jim Gilmore

d. Group Brainstorm of Potential Projects to be Added to the Plans

COURTESY OF THE FLOOR TO VISITORS

- No visitors spoke.

ADJOURNMENT

Chairman Art Graham called the meeting to end at 7:00PM, and informed the board they would need to have

another workshop at a later date to discuss the downtown district. The meeting was officially adjourned at 7:00PM.
